Lakeside Imaging Center — MRI Preparation Guide

Lumbar spine MRI, without contrast

Before your appointment

- Arrive 30 minutes before your appointment time to complete check-in and forms.
- Bring a photo ID and your insurance card.
- Bring your referral/order form and any previous imaging reports if you have them.
- No fasting is required for this exam. You may eat and drink as you normally do.
- Wear comfortable clothing without metal zippers, snaps, or buckles. A gown may be provided.
- Leave jewelry, watches, hairpins, and other metal items at home.

At the center

- You will complete an MRI safety screening form at check-in.
- Tell the technologist if you have any implanted medical device or metal in your body. The imaging team will review this with you.
- The scan is painless but noisy. Earplugs or headphones are provided.
- You will need to lie still on a table for the duration of the scan.

If you need help

For questions about this guide, call 555-0142 (Monday to Friday, 9:00 AM to 4:00 PM). Your referring clinician is responsible for medical questions about your care.

FICTIONAL SAMPLE DOCUMENT for the ScanReady demo. Not a real patient, provider, or medical instruction.
