Lakeside Imaging Center — Visitor Accessibility Information

Getting here

- Public bus route 12 stops about 400 meters from the main entrance.
- Paid parking is behind the building. Accessible parking spaces are available.

Inside the center

- The main entrance has a ramp. The ramp surface is sometimes wet in rainy weather.
- Suite 2 is on the ground floor. An elevator serves other floors.
- Wheelchair transfer assistance to the MRI table is available **on request**.
- Please contact the center in advance if you need step-free access confirmed for your visit, a language interpreter, or extra assistance at check-in.

Language and communication

- Phone interpreter services are available in many languages when requested in advance.
- Written materials are provided in English. Translated materials may be requested.

To request an accommodation

Call 555-0142 or email access@lakeside-imaging.example at least 2 business days before your appointment.

FICTIONAL SAMPLE DOCUMENT for the ScanReady demo. Not a real patient, provider, or medical instruction.
